

# Pax Handsaws

The Pax brand was founded in Sheffield in 1776 to provide professional cabinet makers with a range of highest quality hand saws. The Pax range is still manufactured in Sheffield using time-honoured traditional methods, by skilled and fully apprenticed craftsmen.

## HAND SAWS

Made in Sheffield

Hand-crafted from finest alloy steel and taper ground and breast, these saws are precisely ground and sharpened to ensure the best possible cut without binding. Available as either rip, standard tooth handsaw or fine-tooth panel saw versions.

- PAX-PAN/22** Pax 22" Panel Saw 10 TPI **£79.99**
- PAX-HAN/22** Pax 22" Hand Saw 8 TPI **£79.99**
- PAX-RIP/26** Pax 26" Rip Saw 4.5 TPI **£86.99**

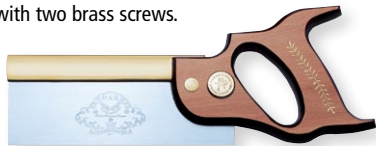

By Skilled Craftsmen

### 8" Dovetail Saw

Featuring an alloy steel blade with mirror finish and high quality brass back. The two-tone steamed beech handle is fitted with two brass screws.

By Skilled Craftsmen

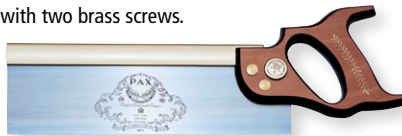

- PAX-DOV/8** Pax 8" Dovetail Saw 20 TPI **£79.99**

### Tenon Saw

Featuring an alloy steel blade with mirror finish and high quality brass back. The two-tone steamed beech handle is fitted with two brass screws.

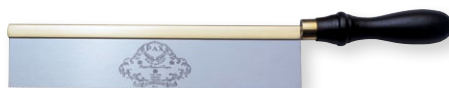

By Skilled Craftsmen

- PAX-TEN/10** Pax 10" Tenon Saw 15 TPI **£72.99**
- PAX-TEN/12** Pax 12" Tenon Saw 13 TPI **£76.99**

### Gent's Saw

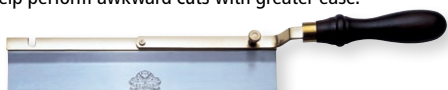

This rosewood handle saw features an alloy steel blade and high quality brass back.

- PAX-GEN/8** Pax 8" Gent's Saw 20 TPI **£19.99**
- PAX-GEN/10** Pax 10" Gent's Saw 20 TPI **£21.59**

### Reversible Gent's Saw

This rosewood handle saw features an alloy steel blade and high quality brass back. It features a cranked handle to help perform awkward cuts with greater ease.

- PAX-REV** Pax Reversible Gent's Saw 20 TPI **£23.69**

## Flexible Flush Cutting Saw

Featuring a rosewood handle and flexible alloy blade, this precision saw cuts on the pull stroke and is ideal for cutting dowels as well as many other applications.

- PAX-FLU** Pax Flush Cutting Saw 20 TPI **£14.39**

## Jeweller's Saw

This precision saw is ideal for fine jointing thanks to its very thin blade and also features a high quality brass back and rosewood handle.

- PAX-JEW** Pax Jeweller's Saw 20 TPI **£16.99**

## Veneer Saw

A light handled saw suitable for veneer work, the very fine curved blade has 15 teeth per inch to facilitate careful precision work.

- PAX-VEN** Pax Veneer Saw 15 TPI **£17.29**

## Razor Saw

This saw is made to the same specification as the Jeweller's Saw, but has 40 teeth per inch. It is suitable for high precision work and gives an excellent finish.

- PAX-RAZ** Pax Razor Saw 40 TPI **£17.39**

## SCRAPER SETS

Made in Sheffield

### Cabinet Scraper Sets

These scrapers provide a high quality, smooth finish and are made from stiff high-grade steel.

Shaped Scraper Set

Square Scraper Set
