

# DS300 12" Cast Iron Disc Sander

The DS300 is a superbly built and heavy duty disc sander; a real workhorse that will provide years of reliable service in the workshop.

Featuring a cast iron body, disc and table, this machine is more than capable of withstanding heavy sanding tasks. The powerful 1 hp motor provides plenty of power and torque to easily handle large sections of timber and the dynamically balanced disc ensures smooth operation.

This machine is in a different league to other disc sanders. When seen in action, the build quality and performance speak for themselves.

RRP £219.99

**Rack and Pinion Table Tilt** The rack and pinion mechanism, provides easy and accurate tilt up to 45°.

**Dust Extraction** The DS300 is designed for effective waste extraction; as the machine is used, the dust is thrown down the extraction assembly to the port, ready to be fully removed using a suitable dust extraction machine.

## SPECIFICATIONS

**DISC SIZE:** 305 mm

**DISC SPEED:** 1420 rpm

**WEIGHT:** 33 kg

**TABLE SIZE:** 435 x 165 mm
