

Carving

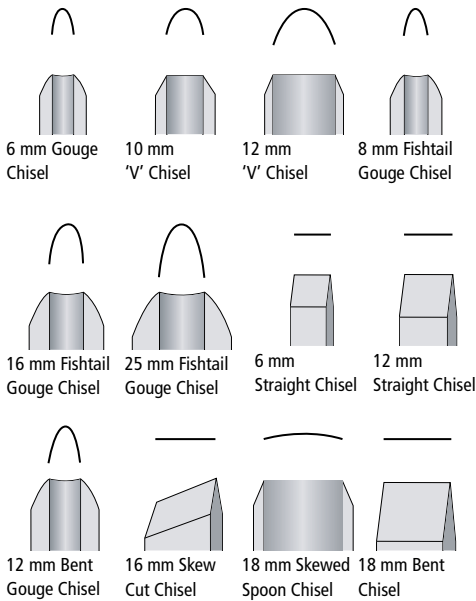

RPCV12 12 Piece Carving Chisels Set

This superb value set contains a wide range of profiles, providing an ideal introduction to the fascinating world of wood carving.

RRP £49.99

Spring Alloy Steel This material helps the chisels retain their cutting edge longer and resists corrosion.

Included in this set:

Presentation Box The attractive box is well made and designed to be a long term home for the chisels.

RPCV130 Carver's Vice

The tried and tested design of this vice makes it an extremely solid and user-friendly base for carving whilst offering superb value for money, making it an ideal choice for new and experienced carvers alike.

RRP £39.99

360° Rotation The faceplate revolves 360° for easy access all around the workpiece.

Pivoting Support Arm This provides further flexibility of positioning.

Extra Support For further strength when carrying out the hardest cuts, the mounting plate can be positioned flush to the vice body, with the attached roll pins providing extra support.

Cast Iron Clamp The vice can be securely attached to any work surface up to 4" thick.

Secure Clamping The cast iron clamp jaws provide more than enough holding power for heavy use.

RPCVM15

15 oz Carving Mallet

A good quality carving mallet is essential in order to make carving as comfortable as possible as well as aid control of the cut. Weighing 15 oz, this mallet is an ideal general purpose tool suitable for delicate work as well as for heavier operations such as roughing out.

RRP £19.99

Made from Solid Beech

The close grained Beech provides the ideal weight, hardness and strength.
